HOW IT WORKS:

1. Pick up your To-Go container. First year students are provided a complimentary to-go box in the fall.

2. Swipe your U card for a meal.

3. Receive receipt (and hang on to it – you need it to leave the residential restaurant!)

4. Fill your To-Go container with tasty foods.

5. Bring your receipt back to the cashier.

6. Eat!

7. Rinse your To-Go container and return it to one of the six residential restaurants on campus in Bailey, Middlebrook, Centennial, Comstock, Sanford, or 17th Ave Hall.

8. After returning, you have 2 options:
   1. Take another clean To-Go container.
   2. Take a carabiner to exchange for another reusable To-Go container when you’re ready to carry out again!

9. If you misplace your To-Go container or carabiner, you can purchase another for $4.
